Min.19" Max.36"

Horizontal or Vertical

Horizontal **Vertical**

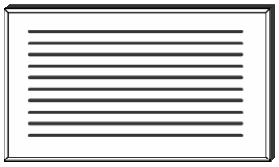

We created the mirrored acrylic grill

We referred to them as Horizontal or Vertical. We quickly learned the Heating & Air Conditioning Industry Standard is to Always hold slats horizontal, then specify width 1st and height 2nd

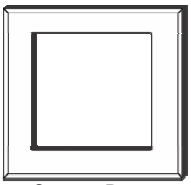

Other Custom Styles Available - *made to order*

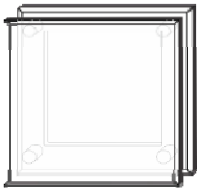

Round Speaker Cover
Specify OD & Speaker Size - 3/16" Slots

Square Speaker Cover
Just like a flat grill, but with 3/16" Slots
Specify OD & Speaker Size

Square Donut
Specify OD & ID

Exhaust Fan Cover
Made like a Square Donut Specify OD & ID.

Grill Installation

Magna Mount - Magnetic Tape

Black Double Faced Tape

Gunther Ultra Bond or Palmer Mirror Mastic

Grills should be installed by a professional.

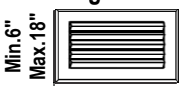

If using double faced tape, always stay at least 1/8" away from any edge.

Purchase the supplies you will need on our website or refer to our Tools & Supplies Catalog

For more detailed instructions on grill installation, visit our website grills.mirart.com or call for a copy our Tip Sheet on Grill Installation.

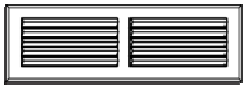

Stocked Adjustable Mirror Grills

Single Slats

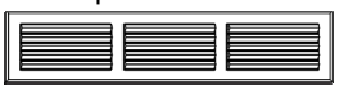

Min.6" Max.18"

Double Sets of Slats

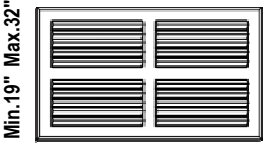

Min.19" Max.29"

Triple Sets of Slats

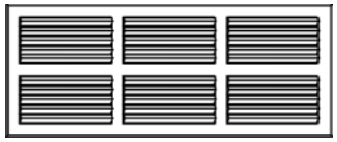

Min.30" Max.48"

Four Sets of Slats

Min.19" Max.29"

Six Sets of Sets of Slats

Min.30" Max.48"

Our laser can cut Grills as large as 48" x 96", but that doesn't mean we can ship them that large. Consult factory to discuss possible solutions.
