FGS	2.25	1.58	1.42	1.28

Installation Tips

Clean glass where knobs are to be applied with alcohol or hexane.

This removes any residue left by certain types of cleaners. Peel release liner and press in place.

Be careful to locate exactly where you want them. Once stuck, not easy to remove.

FG2B 1 1/8 x 2⅞"
Flat Polish 2 Sides
Polished Bevel on 2 Sides

FG2C 1 x 2⅞"
Polished Bevel on 4 Sides

1/4" Thick Finger Glides

Code	Each	12	24	72
